

Workplace Inclusion Now™

Only 20% of people with disabilities, including those with autism, are employed, despite having the skillset and desire to work.

Workplace Inclusion Now™ (WIN) is Autism Speaks workforce development program for employers, job seekers and community members committed to promoting diversity in hiring and creating an inclusive workplace culture in which not just autistic adults, but all employees can thrive.

In this PSA, several autistic adults share their unique strengths through a letter to an employer, explaining why they should not be overlooked.
